Outdoor Netball – Visitors are to park in the Teresa Ball Carpark on Mount Pleasant Avenue.

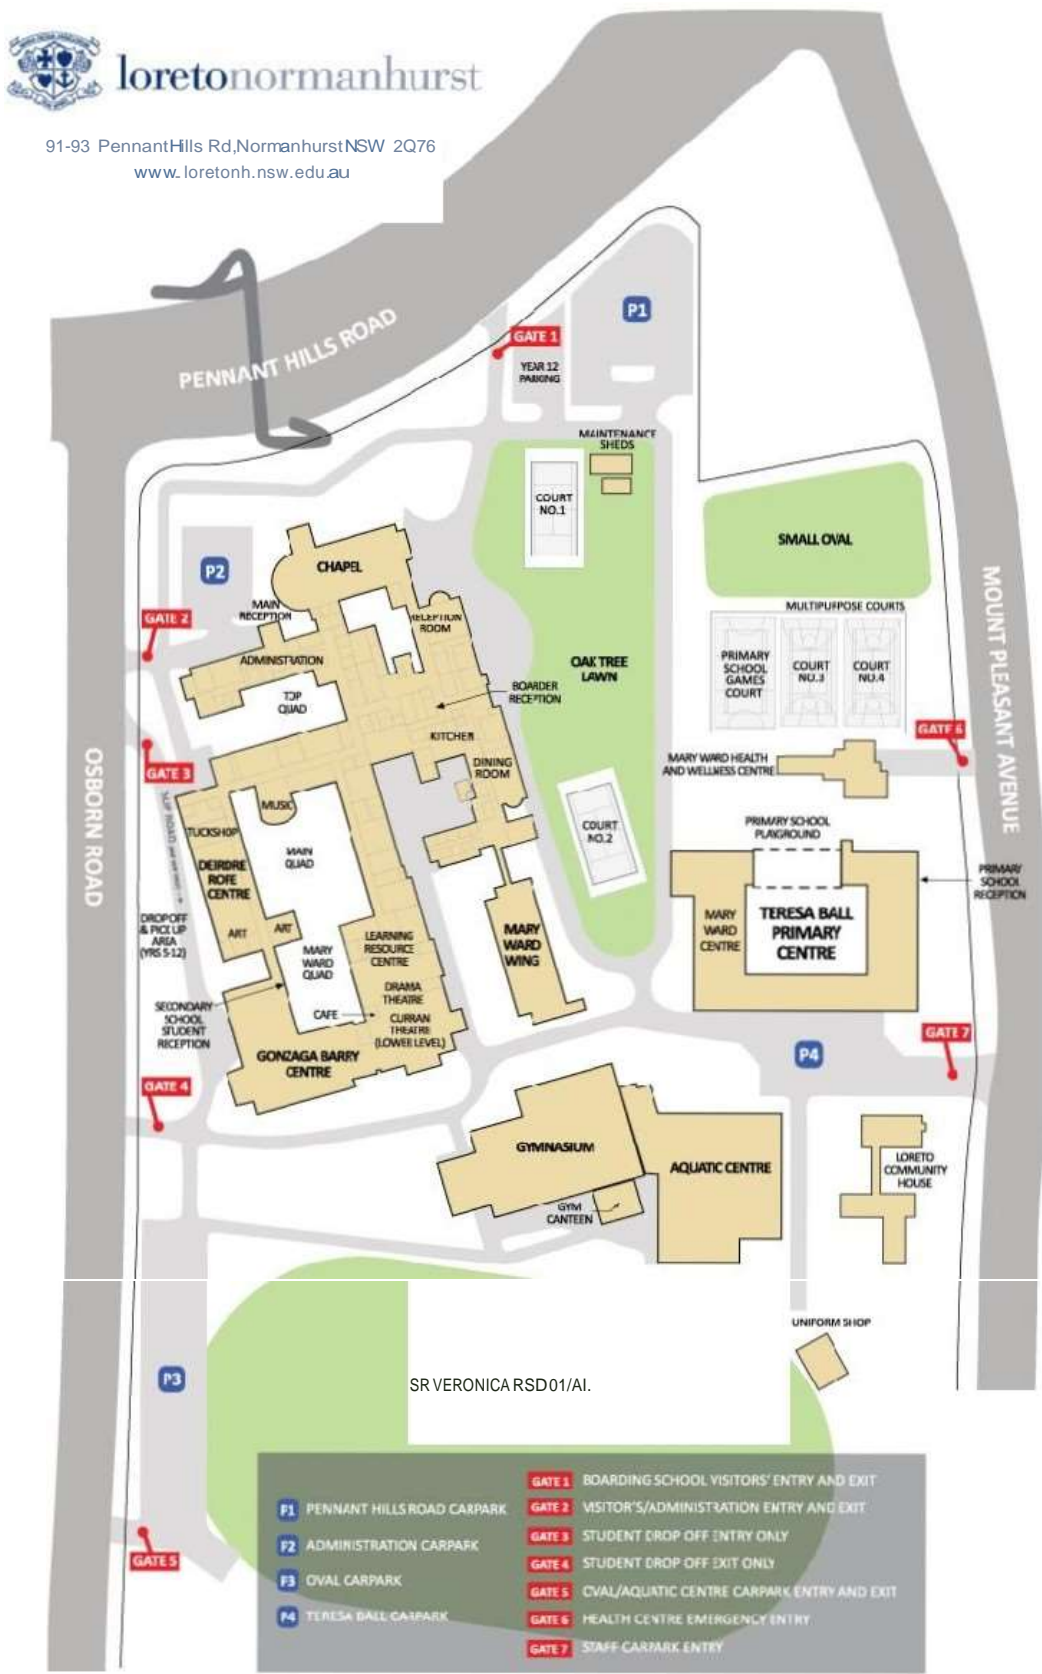

Indoor Netball - Visitors are to park in the Oval Carpark.

Hockey – Visitors are to park in the Oval Carpark or on the lower end of Mount Pleasant Avenue. Access to the oval will be made for pedestrians via pedestrian gates from both the Oval Carpark (appropriate for Field 1) and Mount Pleasant Avenue (appropriate for Field 2).

OFF SITE PARKING

Avoid parking in Osborn Road as it is narrow and carries a significant volume of traffic. **Currawong Avenue should also be avoided** as it is very narrow, and whilst it is legal to park on both sides, doing so restricts access significantly. Mt. Pleasant Avenue has more parking spaces and also has a wide verge on the western side which can accommodate multiple vehicles.

The map below shows a plan of the School grounds with entry points for parking and foot traffic indicated.

This parking notice is given to all parents with children enrolled at Loreto Normanhurst, other IGSSA Schools for inclusion in their Sports Booklet, and organisations that use the school facilities. All external users of Loreto Normanhurst facilities are expected to comply with this notice.
