

Meet Mobile: Swim

In 2017, IGSSA will be trialling the use of Meet Mobile. ACTIVE Network's Meet Mobile transforms the swim meet experience. View results, records, finalists and estimated timelines anytime, anywhere all from your mobile. Below are the details of how to get the app.

Download Meet Mobile now - .

Available from Google play:

“Meet Result Pricing

Monthly subscriptions are offered at \$1.99 USD, and annual subscriptions are offered at \$5.99 USD, with pricing available in your local currency at an exchange rate managed by Google Play. Subscriptions are charged to your Google Wallet account when you confirm your purchase and will auto-renew at the end of the subscription period for the same duration as your initial enrolment at the initial price, unless cancelled or changed at least 24-hours before the end of your current subscription period. Cancellation or refund of the active current subscription period is not allowed per Google’s policies.”

*Meet Results

Meet results are available as **an in-app subscription**. Your subscription includes access to swimmer times, splits, scores, and more at meets where meet hosts and officials support the publication of results to mobile with HY-TEK Meet Manager - the most widely-used swimming management software in the world.
